<sup>1</sup> Recent Grads = A student enrolled in college for the first time after high school by self-reported HS last attended\*.

<sup>2</sup> Advanced Ed. = A student who is con-currently enrolled in K-12/High School and college by HS currently enrolled.

<sup>3</sup> Last HS Attended: All students who are enrolled at FLC as transfer, returning or continuing students by self-reported HS last attended.

\*Note about data: Data on number of students who transitioned from a local feeder HS to FLC is taken from the CCC Apply application, LRCCD Data Warehouse. It should be noted that CCC Apply uses a very large drop down menu of public high schools for the entire state. That list is cumbersome to navigate, there are many schools with similar names, and not all small or new high schools are included in the menu. Data should be interpreted with caution.
