Brenda,

This is in regards to Requisition ID 0001041667.

In an effort to secure quotes from other vendors I contacted the following sources, both via web interface and email.

<https://www.maselli.com/>

<https://www.labworld.it/aziende/cdr-food-lab/>

I reached out multiple times beginning on Monday, April 17, 2023 and have not received any reply.

Please let me know if you need additional details about my efforts.

Sincerely,

Greg McCormac
