Subject: RE: FOR YOUR ACTION_QUEST REQ# 759625 (RUSH REQUEST)

Hi Brenda,

I requested a rush on Req #759625 for the following reasons:

- The items on this requisition are critical in completing the iTV installations in both outreach centers (EDC & RCC). This must be completed before the start of the Fall semester so that scheduled iTV classes can take place in these rooms. We will need at least a week to wire and configure these systems after receiving the items.
- This project is the remaining part of items ordered at the end of the 2012 fiscal year. Funds were not available to cover the necessary equipment, but the new fiscal year budget can now cover this.
- Some of the items ordered at the end of the 2012 fiscal year were not received until earlier this week. The delay in receiving these items, created a delay in determining exactly what was needed to finalize these projects.

If there is any further information needed, please let me know. As always, thanks for everything that you do!

David
