On "FOB Shipping Point" transactions, should any shipments under this purchase order be received by LRCCD in a damaged condition and any related freight loss and damage claims filed against the carrier or carriers be wholly or partially declined with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, CONTRACTOR on request of LRCCD shall at CONTRACTOR's own expense assist LRCCD in establishing carrier liability by supplying evidence that the equipment and/or materials was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions. 14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.
15. **ASSIGNMENT:** Without the written consent of LRCCD, this agreement is not assignable by CONTRACTOR either in whole or in part.

Colleen,

Per our phone conversation Jared will be the contact person for any future issues that arise. It sounds like it is best to go through Fluoresco first and let them determine if it is a software or hardware issue. Let me know if you have any questions.

Thanks.

Trevor

Email to Copy

Trevor,

Would you like us to go check the sign? This will require one of our journeyman electrical sign technicians which are \$105 per hour. Can you send a not to exceed order for \$450 dollars and we can diagnose the problem? Then we will need to order the parts under Watchfire's warranty program and then go back to site to install them.

Regards,

Jared Burns-Coffin
