- 14. TERMINATION: LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. - 22. WARRANTY: CONTRACTOR expressly warrants that all materials, goods, equipment, services, and/or labor shall conform to the requirements set forth or incorporated into this order and any applicable industry standards or requirements, shall be merchantable and free from defects in workmanship, materials and/ or design (including latent defects), and shall perform as specified. As of January 1, 2003, Education Code Section 88003.1 restricts the District's ability to contract for services. Before a requisition can be processed, the following certificate must be completed indicating that the required service meets the Ed Code criteria.

Section I

The requisition will not go forward for processing unless you answer yes to at least <u>one</u> of the questions below:

	Yes	No
Is this a continuing Service Agreement that was in place before January 1, 2003?		
The Legislature has specifically mandated or authorized the service to be contracted out.

property, for example a service contract for office equipment.		
or where an outside perspective is needed.		
The service is needed to respond to an emergency. The contract shall be no longer than sixty days.		
The contractor will provide equipment, materials, facilities or support services that		
could not feasibly be provided by District staff.

Section II

If the services do not fall within one of the above exceptions, the requisition will not go forward unless you answer yes to *all* of the following questions:

1.	There clearly will be actual overall cost savings.	۵
	a. The District must consider the salaries and benefits of additional staff and the cost of additional space, equipment and materials.	
	b. The District shall not include the District's indirect overhead costs, unless those costs would be exclusively caused by the work.c. The District shall include the District's costs of supervising, inspecting or monitoring the contractor.	
	The services are not being contracted out solely to save money.	
3.	The contract does not cause the displacement of District employees.

LOS RIOS COMMUNITY COLLEGE DISTRICT INDEPENDENT CONTRACTOR vs. EMPLOYEE CHECKLIST

This questionnaire is to be used to determine if an individual is an independent contractor or employee. The individual should be consulted where necessary to answer all questions. If you believe that the individual qualifies as an independent contractor, submit a requisition, service agreement, checklist, and any explanatory attachments. The contract will not be valid until a Purchase Order is issued, and no agreements should be made nor should work commence before that time. Due consideration should be given to all questions, since the penalty to the originating department for misclassification is approximately 50% of the contract amount. For more information see the District Purchasing Guide. If you have any questions or require assistance, please contact the Director, Accounting Services at the District Office. Y
