14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.

July 18, 2012

Dear Colleagues,

I hope that you are well and getting ready to begin a new and exciting academic year. I know that all of us have been affected by the current budget crisis and nearly every college is struggling financially. Your active involvement and support during the past year have made a difference on some very important fronts. Now it is time to call upon you to renew your commitments to the effective voice of Student Services in statewide-level discussions of policy development and program implementation. I want to encourage you to take the following actions right away:

1. Support our statewide efforts by paying your annual membership dues of CCCSSAA by Sept. 30, 2012
2. Save the Dates—Oct. 12, 2012: Northern (Skyline) and Central (Madera Center) Drive-in Workshops
Nov. 8, 2012: Southern Drive-in Workshop in Irvine, held jointly with the Academic Senate
March 13-15, 2013: The 2013 Spring Institute/Business Meeting, in Costa Mesa.

While we all have so much work to do at our own colleges, we are equally challenged to work at the system-wide level on policy, program, and fiscal management. We are—and need to be—partners with instructional officers, faculty leaders, and other major stakeholders in the future of California's community college. To this end, the Executive Board of the CCCSSAA at its June 2012 retreat committed to the following goals for 2012-2013:

- Increase quality and quantity of communication with our membership (update and revitalize web site, committee reports, board communication w/ meeting minutes)
- Improve working relationships with other groups (CIOs, Chancellors Office, Academic Senate, organizations in our sphere, including restarting Student Services Council)
- Advocacy (be more visible and vocal state-wide)
- Internal organization (rewrite constitution and by-laws and bring to membership for a vote)
- CID project working with CIOs and Academic Senate on curricular issues and pathways

The 2011-2012 CCCSSAA budget provides financial support of board members and other CSSOs who serve as special representatives to statewide committees and task forces on key planning issues, including Matriculation, the Student Success Task Force implementation workgroups, and budget. We will also continue our commitment to communication and learning for CSSOs, building on the success of the past couple of years Spring Institutes.

Now, please send your college's dues payment in the form of a check in the amount of \$300. Complete the attached Dues Invoice form and ask your business office to include it with the payment.

Please make your check payable to CCCSSAA and mail it to:
