Description | Specifications | Ordering Info | Images

These sidewalk signs feature a white, write on/wipe off surface on both sides. The writing surface is 22"W x 27 1/2"H. The write on sandwich boards, like other sidewalk signs, make it easy to advertise your message and quickly change it as necessary. Users can update the board as many times as they wish. We supply these sidewalk signs with 4 assorted markers and 1 eraser. These sandwich boards are portable. Sidewalk signs fold flat and can be easily moved or stacked. The boards have handles at the top for carrying.

These sidewalk signs are constructed from heavy duty plastic which will not rust, crack, splinter or peel. The write on surface is white coated hardboard. The surface of the sidewalk signs erases clean. We use hardboard because it is economical, tempered and tough. It is the least porous board available. The sidewalk signs' purpose is an indoor or outdoor product, however your written message will run in the event of precipitation. Each of the sandwich boards, which is an A-frame sign, is perfect to place in front of businesses. These sidewalk signs are great at enticing passersby into your store, restaurant or bar.

**Special Note:** We are one of the only vendors who sells this product packaged (1) frame to a very protected, re-shippable carton. You do not receive just plastic frames stacked on pallets, un-boxed and marked up. The frames are neatly boxed. While our pricing may be slightly higher than similar units, each frame is delivered in a durable, 275lbs. test, double-wall carton that allows you to transfer the product with ease.
