14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. Instructions on Reverse

California Community Colleges Chief Student Services Administrators Association

Sept 10, 2014

Dear Colleagues,

I hope that you are well and in the midst of beginning a new and exciting academic year. I am sure that you are busy making progress to activate the SSSP and Equity plans for your colleges, even while getting the new semester underway. Your active involvement and support during the past year have made a difference on these and many other fronts. Now it is time to call upon you to renew your commitments to the effective voice of Student Services in statewide-level discussions of policy development and program implementation. Please take the following actions right away:

1. Support our statewide efforts by paying your annual membership dues by Sept. 30, 2014
2. Save the Dates for your regional meetings as well as conferences to keep in touch.

While we all have so much work to do at our own colleges, we are equally challenged to work at the system-wide level on policy, program, and fiscal management. We are—and need to be—partners with instructional officers, faculty leaders, and other major stakeholders in the future of California's community college. To this end, the Executive Board of the CCCSSAA at its June 2014 retreat reaffirmed its commitment to the following goals:

- Increase quality and quantity of communication with our membership (update and revitalize web site, committee reports, board communication w/ meeting minutes)
- Maintain working relationships with other groups (CIOs, Chancellor's Office, Academic Senate, organizations in our sphere, including restarting Student Service Council)
- Educational advocacy (be more engaged and effective statewide)
- Internal organization (rewrite constitution and by-laws and bring to membership for a vote)
- CID project working with CIOs and Academic Senate on curricular issues and pathways

Your dues support our representatives to statewide committees and task forces on key planning issues. These include the Student Success Task Force implementation workgroups, Equity, Consultation Council and budget. We will also continue our commitment to communication, conferences and learning opportunities for CSSOs regionally and at the state level.

Please send your college's dues payment in the form of a check in the amount of \$300. Complete the attached Dues Invoice form and ask your business office to include it with the payment.

If you have questions, feel free to contact me at 510-659-6107 or by email at rtravenick@ohlone.edu

Sincerely,

Ron Travenick
