INDEPENDENT CONTRACTOR vs. EMPLOYEE CHECKLIST**

This questionnaire is to be used to determine if an individual is an independent contractor or employee. The individual should be consulted where necessary to answer all questions. If you believe that the individual qualifies as an independent contractor, submit a requisition, service agreement, checklist, and any explanatory attachments. The contract will not be valid until a Purchase Order is issued, and no agreements should be made nor should work commence before that time. Due consideration should be given to all questions, since the penalty to the originating department for misclassification is approximately 50% of the contract amount. For more information see the District Purchasing Guide. If you have any questions or require assistance, please contact the Director, Accounting Services at the District Office.

| b. The District shall not include the District's indirect overhead costs, unless those costs would be exclusively caused by the work.  | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |
| c. The District shall include the District's costs of supervising, inspecting or monitoring the contractor.                            | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |

| 5. The amount of savings must clearly justify the size and duration of the contract.   | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
| 6. The contract must be publicly bid.  | <input type="checkbox"/>            | <input checked="" type="checkbox"/> |
