PURCHASE ORDER TERMS AND CONDITIONS

1. **APPLICABLE LAW:** The contract resulting from this order shall be governed by the laws of the State of California
2. **COMPLETION OF ORDERS:** LRCCD reserves the right to withhold payment until order is completed.
3. **DISCOUNTS:** Please show cash payment discount offered on your invoice in connection with any discount offered, time will be computed from date of delivery of the supplies or equipment, or from date correct invoices are received in the office specified by LRCCD if the latter date is later than the date of delivery. Payment is deemed to be made for the purpose of earning discount, on the date payment is mailed or on behalf of LRCCD.
4. **INVOICES:** Invoices shall be prepared and submitted in duplicate unless otherwise specified. Invoices shall contain Purchase order number, date, description of items, sizes and quantities, unit prices, extended totals, place and date of delivery. Invoices or vouchers not on printed bill heads shall be signed by the CONTRACTOR or person furnishing the supplies or services. Every invoice shall be properly itemized. If LRCCD has not received billing for product or services within a one year period LRCCD will not be held responsible for satisfying the debt.
5. **CHANGES:** No change or modification in terms, quantities, or specifications may be made without express authorization in writing from the LRCCD Purchasing Office and signed by the parties hereto, and no oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto. If unit cost of any item exceeds the amount shown by 10% or \$250.00 whichever is less do not ship. Contact LRCCD Purchasing at the phone number provided.
6. **BILL OF LADING:** If Bill of Lading is applicable to this order, send originals to "Ship to" address and duplicate Bill of Lading with invoices to "Bill to" address. All correspondence, invoices, bills of lading, shipping memos, packages, etc., must show purchase order number. If factory shipment, advise factory to comply.
7. **TRANSPORTATION CHARGES:** Invoices for prepaid transportation charges must be supported by original receipted expense bills.
8. **FOB POINT AND FREIGHT CHARGES:** Unless otherwise specified on this order, all items shall be delivered FOB Destination. No charge for delivery, drayage, express, parcel post, packing, cartage, insurance, license fees, permits, or for any other purpose will be paid by LRCCD unless expressly included and itemized in the order. Unless otherwise shown, on "FOB Shipping Point" transactions, CONTRACTOR shall arrange for lowest cost transportation, prepay and add freight to invoice and furnish supporting freight bills if the amount exceeds \$50.00. On "FOB Shipping Point" transactions, should any shipments under this purchase order be received by LRCCD in a damaged condition and any related freight loss and damage claims filed against the carrier or carriers be wholly or partially declined with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, CONTRACTOR on request of LRCCD shall at CONTRACTOR's own expense assist LRCCD in establishing carrier liability by supplying evidence that the equipment and/or materials was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions. Shipments that are California intrastate in nature and where freight is to be borne by LRCCD shall be tendered to carriers with written instructions that rate and charges may not exceed the lowest lawful rates on file with the California Public Utilities Commission.
9. **PATENT INDEMNITY:** The CONTRACTOR shall hold LRCCD, its officers, agents and employees harmless from alleged liability of any nature or kind, including costs and attorney fees and expenses, for infringement or use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in connection with the contract or purchase order.
10. **TAXES:** Certain articles sold to LRCCD are exempt from certain Federal excise taxes. LRCCD will reimburse the CONTRACTOR for, or pay directly, all California State and local sales and use taxes applicable to this purchase.
11. **EQUAL OPPORTUNITY EMPLOYER:** The acceptance of this purchase order by a supplier of goods and services is a certification that such supplier complies with all provisions of executive order 11246 and is an equal opportunity employer.
12. **GENERAL SAFETY ORDERS:** All materials, supplies and services sold to LRCCD shall conform to the general safety orders of the State of California. All materials, except as otherwise specified, must be new and of the best quality of their respective kinds.
13. **INDEMNIFICATION:** CONTRACTOR shall indemnify, defend and hold harmless LRCCD, its trustees, officers, agents, employees and volunteers, from any and all claims, demands, suits, causes of action, damages, penalties, breaches of this agreement, infringement of patent rights, costs, expenses, violations of employee occupational health and safety laws, attorney fees, losses or liability, property damage, personal injuries to or death of persons, arising out of, alleged to have arisen out of, or relating in any way to CONTRACTOR's work to be performed under this agreement, except if caused solely by the negligence of LRCCD.
14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.
15. **ASSIGNMENT:** Without the written consent of LRCCD, this agreement is not assignable by CONTRACTOR either in whole or in part.
16. **PUBLIC WORKS PROJECTS:** CONTRACTOR must comply with Public Contract Code.
17. **CA LABOR CODE:** Pursuant to Section 1700, and following, the CONTRACTOR shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations. Copies of such prevailing rate of per diem wages are on file at the Business Office of the Los Rios Community College District, 1919 Spanos Court, Sacramento, CA 95825. Those copies shall be made available to any interested party upon request. The CONTRACTOR shall forfeit, as penalty to the LRCCD, Fifty Dollars (\$50.00) for each calendar day or portion thereof, for each workman paid less than the stipulated prevailing rates for any work done under the contract by him/her or by any subcontractor under him, in violation of the provisions of such Labor Code.
18. **NOTICE:** Your employees may be exposed to hazardous substances during the course of their work while on LRCCD property. For additional information on the hazardous substances that your employees may be exposed to contact the LRCCD General Services Department at (916) 568-3048.
19. **INSURANCE:** CONTRACTOR shall, at all times, maintain in full force and effect the following insurance: Workers' Compensation, Commercial General Liability, Auto Liability, and Professional Liability if licensed professional. Policy limits for each shall be at least \$1,000,000 AND \$3,000,000 AGGREGATE for bodily injury, personal injury and property damage. Any combination of General Liability and Excess Coverage can be combined to meet the Aggregate. LRCCD shall be named as an additional insured on CONTRACTOR's policies. The CONTRACTOR shall provide a certificate of insurance and required endorsements to comply with this section at least 15 days prior to commencement of work under this contract. The certificate shall state that LRCCD will be given 30 days notice of any material change or cancellation in coverage.
20. **DISQUALIFIED EMPLOYEES:** CONTRACTOR shall ensure that persons who perform services on LRCCD property have not been convicted of any felony, or any controlled substance offense or any sex offense as those terms are defined by Education Code section 87008-87010. If LRCCD determines that any person employed by CONTRACTOR to work on LRCCD property is incompetent, unfaithful, intemperate, disorderly, abusive or is otherwise unsatisfactory, CONTRACTOR shall cause that employee to be removed from working on LRCCD property immediately, and that person shall not be employed again on LRCCD property.
21. **WORK AUTHORIZATION:** Prior to LRCCD's acceptance of this Agreement, CONTRACTORS who are not U.S. citizens must provide verification of (a) work authorization status from the appropriate U.S. Department of State; (b) a copy of their U.S. visa; (c) the number of days present in the U.S.; and (d) tax treaty status. LRCCD shall not make any payments to CONTRACTOR unless CONTRACTOR holds the appropriate U.S. visa. CONTRACTOR is responsible for ensuring they are in possession of the appropriate visa.
22. **WARRANTY:** CONTRACTOR expressly warrants that all materials, goods, equipment, services, and/or labor shall conform to the requirements set forth or incorporated into this order and any applicable industry standards or requirements, shall be merchantable and free from defects in workmanship, materials and/or design (including latent defects), and shall perform as specified. CONTRACTOR further warrants that all materials, goods, equipment, services, and/or labor will be fit and sufficient for the particular purposes intended by LRCCD. Unless agreed upon otherwise between LRCCD and CONTRACTOR, the warranty period shall be the longer of: (a) any express warranty included in this service agreement; (b) one year after the materials, goods, equipment, services, and/or labor are accepted by LRCCD; or (c) any warranty period provided under any applicable California law.

Quick Overview

- This Tele Vue Extension Tube adds an additional 3.5" of outward travel.
- Measures 2" in diameter and designed for 2" focusers.
- The This Tele Vue Extension Tube is used for photographic purposes with many Televue refractors.
- Includes non-marring brass clamp ring.

DESCRIPTION SPECIFICATIONS INCLUDED ITEMS SUPPORTING DOCS

Tele Vue 3.5" Extension Tube - X3C-0009

The Televue X3C-0009 is a 3.5" long, 2" diameter extension tube. There are times when it necessary when doing photography to need additional focuser travel through many scopes - particularly when the 2" diagonal is removed.

Some scopes, such as the Televue TV-101 and Televue TV-102, require both the 2" and 3.5" extension tube (before inserting the camera adapter) in order to achieve proper focus photographically. The Televue 3.5" Extension Tube can also be used in any 2" focuser when additional focuser travel is needed to bring an eyepiece to focus, too!

Televue Product Number: X3C-0009

All Televue products are available to ship world-wide from OPT, and effective July 1, 2008, are covered by a Five Year Worldwide Limited Product Warranty! Always be sure to save your original packaging materials should you need to return any Televue product for warranty or repair.

Quick Overview

- The Telrad unmagnified LED screen produces 1/2", 2" and 4" illuminated red bulls-eye circles.
- The Telrad finder includes user adjustable brightness controls.
- A Telrad Finder makes star hopping fast, fun and simple!
- Easy mounting with included bracket and hardware.
- Compatible with almost any size and style telescope.
- The Telrad Finder circles provide easy reference to star charts.
- Use with additional finder scope or other astronomy equipment.
- Measures 8 x 1.75" and powered by two included AA batteries.

DESCRIPTION SPECIFICATIONS INCLUDED ITEMS

The Original Telrad Illuminated Red Bulls-Eye Finderscope

There's a reason the original Telrad Finder is often called a reflex sight - because that's all it takes to aim! When mounted on a telescope, the Telrad provides a non-magnified window on the sky and projects 1/2", 2" and 4" illuminated red bullseye circles on the screen which can be brightened or dimmed for user needs. Simply place the star in the center of the bulls eye and start star hopping! Both beginning astronomers and seasoned veterans alike enjoy the Telrad's red circle view, because it makes it easy to compare to star charts and find objects. For example, a galaxy located 4" southeast of a star becomes simple to locate because your visual reference points are clearly defined. No wonder the Telrad reflex finder is one of the most popular astronomy accessories!

Adding a Telrad Finder to your telescope is equally easy. Simply connect the included Mounting Base using either provided screws or double-sided tape, align, and you're ready to begin. Additional mounting plates can be purchased and your Telrad bullseye can be moved from scope to scope! Indispensable for accurately centering alignment stars for Go-To telescope models and a "must have" for dobsonian users, the Telrad finder is so easy that even the youngest stargazer can use it... Even special star charts have been designed to work with this ingenious piece of equipment! Measuring 8x1.75-inches, the Telrad reflex finder requires two AA batteries and supplies hours upon hours of service. Simply switch it off between objects to conserve battery life - or leave it on and share with others where you're aimed!

Quick Overview

- The TeleVue 2X BIG Barlow was designed for 2" eyepieces for maximum light gathering ability.
- Optically corrected for use with telescopes having focal ratios down to f/4.
- Twice the magnifying power and parfocal for TeleVue eyepieces.
- Fully threaded to accept 48mm filters and non-marring brass clamp ring with captive lock-screw.
- TeleVue 2X BIG Barlow Lens incorporates multi-coated, high index glass for great contrast and sharp images.
- Can be placed ahead of a 2" diagonal for added magnification.
- Adapter included for use with 1.25" eyepieces!

DESCRIPTION SPECIFICATIONS INCLUDED ITEMS SUPPORTING DOCS

TeleVue 2X BIG Barlow - 2"

Are you looking for a high quality barlow lens to maintain the great eye relief of your oculars while doubling the magnification? Then the TeleVue 2X BIG Barlow may be right for you. The TeleVue 2x Big Barlow is for your 2" eyepieces and is parfocal for TeleVue eyepieces as well. But that's not all, The Tele Vue Big Barlow also comes standard with a 1.25" adapter so no eyepiece in your collection is left out.

"Properly designed Barlows do wonderful things. First, they amplify power while retaining the eyepiece's eye-relief. Second, they slow the telescope's f/ratio which improves eyepiece sharpness. Third, the designer can introduce compensations for eyepiece aberrations. TeleVue's 2" 2x BIG Barlow was envisioned as a magnification window. Multi-coated high index glasses assure optimum aberration correction, exceptional contrast and virtually no light loss. TeleVue Barlows achieve their design goals even when tested by the fastest scopes. They even improve our competitor's eyepieces and telescopes!" --Al Nagler
For eyeglass wearers, the Big Barlow is perfect for doubling the power while retaining the eye-relief of 2" TeleVue eyepieces such as the 55mm Plossl, 35mm and 27mm Panoptics (requires use of Panoptics Barlow Interface) and 20mm Nagler Type 2. The TeleVue 2X BIG Barlow is also threaded for 48mm filters and has a captive lock-screw. The brass clamp rings hold 2" eyepieces (or the supplied 1-1/4" adapter) snugly in place...a nice design upgrade! At only 4.5" long, the BIG Barlow can be used in most 2" diagonals or placed in the focuser in before the star diagonal for additional magnification. While this isn't possible with all refractors, the 2" focuser on TeleVue models require an extension tube to achieve focus. When used in this manner, the magnification increases to 3.3X.

TeleVue 2X BIG Barlow - 2" Features...

- Keep your eye relief and enjoy higher magnification!
- Anti-reflection threaded, with blackened lens edges for high contrast.
- TeleVue BIG barlow weighs 15 ounces and measures 4.5" long.
- Five year TeleVue Warranty

TeleVue Product Number: BWC-2211

Using the Big Barlow with 27mm and 35mm Panoptic eyepieces requires an optional TeleVue Big Barlow Panoptic Interface [TE-EPO-INT] (sold under the "Accessories" tab) to maintain eye relief, avoid vignetting, and improve the field edge performance.

All TeleVue products are available to ship world-wide from OPT, and effective July 1, 2008, are covered by a Five Year Worldwide Limited Product Warranty! Always be sure to save your original packaging materials should you need to return any TeleVue product for warranty or repair.
