14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.

Greetings Renee Russo,

Since 1965, the RP Group has leveraged the collective wisdom found across the California Community College system to spotlight innovative practices and promote the improvement of outcomes for all student groups. As the only practitioner-led nonprofit organization serving California community college IRP professionals and practitioners, we promote excellence by using evidence to transform the lives of *all* students.

The impact of our work across the state's 113 community colleges can be seen in the contributions of the many professionals who are as passionate as we are about improving our students' futures. By better harvesting, disseminating, and using data, we collectively move the needle on student achievement and effect significant and proven change.

**Your RP Group membership will expire as of July 1, 2016; we hope that you will consider renewing your institutional membership for 2016-17 now** to continue benefitting directly from this community of valued and recognized expertise, grounded in insiders' perspectives.

### **Membership in the RP Group offers institutions and districts numerous benefits:**

- **Linkages to a vast community of practitioners** through the organization's listservs, offering immediate connection to specific resources and insights on how to approach day-to-day research and planning, student learning outcomes, and leadership issues.
- **The latest data and analyses from pioneering studies** conducted by the RP Group and its partners on topics of critical importance to California's community colleges.
- **Access to our highly qualified staff and consultants** who can provide assistance on planning, professional development, research, and evaluation issues.

**Renew now!** You and your colleagues will become part of a vibrant network of dedicated individuals and organizations working to improve equity and student achievement across our system. Our collaborative, action-oriented, and practitioner-based approach equips our stakeholders and clients to engage in their own meaningful inquiry and evidence-based decision-making.

What's more, RP Group membership will ensure that your access to research, professional development, technical assistance, and leadership is more affordable.

Nonmember organizations must pay more for our professional development programming (e.g. conferences, institutes, academies).
