14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.

Hao-

Thanks for checking in with me on this. I've attached your quote, but I do have a few questions...what hardware (interfaces) did the copies of Pro Tools Express you're wanting to upgrade come with? Also, they should have come with iLoks already...did they come with the older key-style iLoks? If they came with the newer iLoks (that we call iLok 2), then you wouldn't need to buy new ones, you could just put the new licenses on your old iLoks.

Also, it may make more sense for you to buy one of these packages, if you think you'd ever want to expand the number of stations you have:

<http://www.sweetwater.com/store/detail/PTSoftEdu20pk/>

This package includes twenty licenses and twenty iLoks for only \$560 more than what you're looking at, and you wouldn't even have to worry about upgrading your old licenses.

Let me know if you have any further questions...thanks again!
