14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.

Subject: RE: Confirming price for 2016-2017

Hi, Wenda, looks like the last 4 pms we did prices have been at \$844 to \$875, I can confirm the pm for espresso and brewer is still at \$370 flat rate with orings for espresso, and travel is $\frac{1}{2}$ hr \$34, with trip charge of \$8., and the 3 filters we replace are \$318, I cannot guarantee that filter prices will not go up, your contract says to bill at current pricing and I cannot hold prices on parts, if they go up, I have to increase my parts. I cannot imagine that they would go up a lot though, sorry I hope this helps, I just cannot foresee the prices of filters that I buy from another vendor.

Our offices will be closed May 30th, in observation of Memorial Day

Subject: Confirming price for 2016-2017

Good Morning Toni –

I would like to get the Blanket Purchase Order ready for Bev Tech next year, but need a bit of information. Would you send me an email to confirm that our price for the preventative maintenance on the espresso machine in the Roost should stay right about \$850? I know we have had a couple of extra calls this year for unexpected maintenance issues, and I will add some on the Blanket Purchase Order for that, but if you would confirm the regular price for the preventative maintenance, I would greatly appreciate it!

I need to prepare the paperwork today or tomorrow -----

Thanks so much!

Wenda Vander Werf
