On "FOB Shipping Point" transactions, should any shipments under this purchase order be received by LRCCD in a damaged condition and any related freight loss and damage claims filed against the carrier or carriers be wholly or partially declined with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, CONTRACTOR on request of LRCCD shall at CONTRACTOR's own expense assist LRCCD in establishing carrier liability by supplying evidence that the equipment and/or materials was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions. 14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.

Service Agreement Certification Form**

Requisition No CPR 39018
 Description of Services Balloons Decor for Graduation

As of January 1, 2003, Education Code Section 88003.1 restricts the District's ability to contract for services. Before a requisition can be processed, the following certificate must be completed indicating that the required service meets the Ed Code criteria.

Section I

The requisition will not go forward for processing unless you answer yes to at least one of the questions below:

- | | <u>Yes</u> | <u>No</u> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|-------------------------------------|
| 1. Is this a continuing Service Agreement that was in place before January 1, 2003? | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 2. The Legislature has specifically mandated or authorized the service to be contracted out. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 3. The necessary services are either unavailable within the District workforce, cannot be satisfactorily performed by employees, or are very highly specialized. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| 4. The services are incidental to a contract for the purchase of real or personal property, for example a service contract for office equipment. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 5. Contracting out is necessary to avoid a conflict of interest or other legal problem, or where an outside perspective is needed. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 6. The service is needed to respond to an emergency. The contract shall be no longer than sixty days. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |
| 7. The contractor will provide equipment, materials, facilities or support services that could not feasibly be provided by District staff. | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| 8. The services are so urgent, temporary or occasional that the delay in the District's hiring process would frustrate the purpose. | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

Section II

If the services do not fall within one of the above exceptions, the requisition will not go forward unless you answer yes to all of the following questions:

- | | | |
|----------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|
| 1. There clearly will be actual overall cost savings. | <input type="checkbox"/> | <input type="checkbox"/> |
| a. The District must consider the salaries and benefits of additional staff and the cost of additional space, equipment and materials. | <input type="checkbox"/> | <input type="checkbox"/> |
| b. The District shall not include the District's indirect overhead costs, unless those costs would be exclusively caused by the work. | <input type="checkbox"/> | <input type="checkbox"/> |
| c. The District shall include the District's costs of supervising, inspecting or monitoring the contractor. | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. The services are not being contracted out solely to save money. | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. The contract does not cause the displacement of District employees. | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. The savings must be large enough that market fluctuations will not tip the balance. | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. The amount of savings must clearly justify the size and duration of the contract. | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. The contract must be publicly bid. | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. The contract includes specific qualifications of the staff that will perform the work and includes nondiscrimination provisions. | <input type="checkbox"/> | <input type="checkbox"/> |
| 8. There is minimal risk of contractor rate increases. | <input type="checkbox"/> | <input type="checkbox"/> |
| 9. The contract is with a firm. | <input type="checkbox"/> | <input type="checkbox"/> |
| 10. The potential economic advantage of contracting out is not outweighed by the public interest in having the work done in-house. | <input type="checkbox"/> | <input type="checkbox"/> |

If the services do not qualify under Section I or II, then the services must be completed by District staff and the requisition cannot be processed.

**LOS RIOS COMMUNITY COLLEGE DISTRICT
INDEPENDENT CONTRACTOR vs. EMPLOYEE CHECKLIST**

This questionnaire is to be used to determine if an individual is an independent contractor or employee. The individual should be consulted where necessary to answer all questions. If you believe that the individual qualifies as an independent contractor, submit a requisition, service agreement, checklist, and any explanatory attachments. The contract will not be valid until a Purchase Order is issued, and no agreements should be made nor should work commence before that time. Due consideration should be given to all questions, since the penalty to the originating department for misclassification is approximately 50% of the contract amount. For more information see the District Purchasing Guide. If you have any questions or require assistance, please contact the Director, Accounting Services at the District Office.
