On "FOB Shipping Point" transactions, should any shipments under this purchase order be received by LRCCD in a damaged condition and any related freight loss and damage claims filed against the carrier or carriers be wholly or partially declined with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, CONTRACTOR on request of LRCCD shall at CONTRACTOR's own expense assist LRCCD in establishing carrier liability by supplying evidence that the equipment and/or materials was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions. 14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.

Hi Greg / Tess -

The shelves requested on OLR#\_0001010378 will be purchased from Amazon.com, (rather than Houzz.com) – as our Purchasing Buyer has confirmed that Amazon.com offers the same exact item sold by same Manufacturer: [Welland Industries LLC](#) , and at a lower price.

Completed PO will be posted to FLC Insider PO Archives\_Amazon.com, and FLC Receiving will let you know when the items are delivered.

*Please Note:* It is often the case that many manufacturers will sell through multiple .Com Retailer Websites - as is the case with [Welland Industries LLC](#) selling several of their same products through both Amazon.com and Houzz.com

Please let me know if you have any further questions regarding this order.

Wishing you both a Peaceful Relaxing Thanksgiving !

Best Regards,

*Brenda Haney*

I really do not like those – they look very cheaply put together.

I can continue looking.... But it will not be until Monday.

Hi Brenda –

They will be installed in FL4-220 to hold globes for student access vs locked in cabinets.

I had a rather short deadline for these and the major requirement is 12in deep and over a 42in long.

Monica's office selected the items and they assigned budgets used.
