14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.

Hello Brenda, here is an email from Encompass where they state they can't provide a quote for this model of photo printer. These are the photo printers that CRC Photo department received from Canon as a donation and they in turn shared with the rest of Los Rios. The print shop has one and so does Ian Wallace so we may see reqs at some point from them wanting to purchase ink from a vendor other than Encompass. Thanks. I should have shared this with you back in 2016.

Brenda –

This is for the Cannon Pixma 1 Pro in FL4-220 – it is to meet SLOs regarding documentation of observation in ASTR lab – they will be photographing stars and nebulas etc through a telescope and printing the photos.

Jeff Lewis is aware of the order because Encompass does not carry the ink for the Photo printer.
