Re: Purchase of food for Makermatic internship event

May 2, 2019

Folsom Lake College Makerspace hosted an internship event, Makermatic, April 16-18, 2019. This event is supported by the CCC Maker grant. This event was focused exclusively on interns solving a specific business problem. As such, the Makerspace internship coordinator, Seeta Conwell, lead the efforts to plan and implement the event. As the point person for the event she was in charge of securing food. After being informed that Aramark could not supply food for the event, made arrangements to purchase from local partners. She will be submitting receipts for reimbursement.
