By approving I have verified that spelling and content are correct. I am satisfied with the art content layout. I understand that my art will print as it appears here, that I cannot make any changes once my order is placed and that I assume all responsibility for typographical errors and image errors.I also understand that the color settings of my monitor and that of the printing press may be different, so variations of the on-screen and printed piece will differ slightly. In the event that I do not provide PMS colors to represent the closest match to my desired color specifications, there is a greater chance the final printed product color and digital version will vary.
