14. **TERMINATION:** LRCCD may terminate this agreement and be relieved of the payment of any consideration to CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination LRCCD may proceed with the work in any manner deemed proper by LRCCD. The cost to LRCCD shall be deducted from any sum due the CONTRACTOR under this agreement and the balance if any, shall be paid the CONTRACTOR upon demand.

To whom it may concern:

The Biology Department has been in possession of 3 Leica DM500 microscopes with their corresponding ICC50W camera modules from April 1, 2020 to the present as part of JH Technologies Covid-19 loaner program. These loans came at a time when we were struggling to put our classes online at the start of the Covid-19 pandemic and they were an invaluable addition to our newly online programs.

The loaner program is coming to a close and we would like to purchase these units rather than give them back as they will be very useful for our spring 2021 semester as well as in the classroom once we are back on campus. We have been given a 35% discount and there is no shipping charges since we already have the 3 microscope cameras in our possession.
