2.	The Legislature has specifically mandated or authorized the service to be contracted out.		Ŋ
3.	The necessary services are either unavailable within the District workforce, cannot		
	be satisfactorily performed by employees, or are very highly specialized.	Ŗ	
4.	The services are incidental to a contract for the purchase of real or personal		
	property, for example a service contract for office equipment.		
5.	Contracting out is necessary to avoid a conflict of interest or other legal problem,		
	or where an outside perspective is needed.		
6.	The service is needed to respond to an emergency. The contract shall be no longer than sixty days.		
7.	r r r r r r r r r r r r r r r r r r r		
	could not feasibly be provided by District staff.		
8.	The services are so urgent, temporary or occasional that the delay in the District's		
	hiring process would frustrate the purpose.		

Section II

If the services do not fall within one of the above exceptions, the requisition will not go forward unless you answer yes to *all* of the following questions:

1.	There clearly will be actual overall cost savings. a. The District must consider the salaries and benefits of additional staff and the	
	cost of additional space, equipment and materials.	
	b. The District shall not include the District's indirect overhead costs, unless those	
	costs would be exclusively caused by the work.	
	c. The District shall include the District's costs of supervising, inspecting or monitoring the contractor.	
2.	The services are not being contracted out solely to save money.	
3.	The contract does not cause the displacement of District employees.	
4.	The savings must be large enough that market fluctuations will not tip the balance.	
5.	The amount of savings must clearly justify the size and duration of the contract.	
6.	The contract must be publicly bid.	
7.	The contract includes specific qualifications of the staff that will perform the work	
	and includes nondiscrimination provisions.	
8.	There is minimal risk of contractor rate increases.	
9.	The contract is with a firm.	
10.	The potential economic advantage of contracting out is not outweighed by the public	
	interest in having the work done in-house.	

If the services do not qualify under Section I or II, then the services must be completed by District staff and the requisition cannot be processed.

LOS RIOS COMMUNITY COLLEGE DISTRICT INDEPENDENT CONTRACTOR vs. EMPLOYEE CHECKLIST

Due consideration should be given to all questions, since the penalty to the originating department for misclassification is approximately 50% of the contract amount. For more information see the District Purchasing Guide. If you have any questions or require assistance, please contact the Director. Accounting Services at the District Office.
