Hi Kristy,

Thanks for doing this order for me.

Here is the info from BS.

Congratulations on receiving an FY20 mini-grant award from the FLC Office of Philanthropy in the amount of **\$1,000 to support Two Outdoor Message Centers.**

The following budgets have been set up for the purchases:

GENFD	4500	12	FL.CP.PISO	67100	00000	2020	696A	1,000	MG20 2 Message Centers
-------	------	----	------------	-------	-------	------	------	-------	------------------------

When using your mini-grant award, all district purchasing policies and procedures apply. Please contact your Division/Department Administrative Assistant if you need help in the purchasing process.

All purchasing, travel documents, and budget transfer requests should be forwarded to the FLC Office of Philanthropy – [Michele Steiner](#), for review, **prior** to submitting to Business Services.

This award is for the 2019-2020 fiscal year ending June 30, 2020. **Unspent funds do not automatically carry over.**

Please contact the FLC Office of Philanthropy if you have questions:

[Anne Ward-Palos](#): 608-6705

Here is my initial mini grant proposal:

Mini-Grant proposal: Two Outdoor Message Centers

How will the project improve student success, teaching and learning effectiveness, staff development and/or departmental operations?

Our current outdoor message center are not under friendly and are rarely used. They are installed on the grass/garden areas and have no protection from sun, rain, and the sprinklers. The New Message Centers will be built with a roof to keep the information dry and somewhat protected from the sun. They will be moved to a new location that is accessible and free from sprinklers. New Message Centers will allow the campus a space to post information about upcoming college and community events. It will be visible and accessible to a large group. It can provide relevant and fun information that can be changed as frequently as necessary or desired.

The estimated cost of materials is \$500.00 per message board.

Having given this more thought, I am interested in purchasing and installing two (2), wall-mounted message centers (boards). I think having the boards on a wall will eliminate most of the problems with them being on the lawns. Protected from the elements mainly. The old board will need to be removed at some point.

I have surveyed the campus with Kristy Hart and Messy Williams and we have found the locations we think are best suited. They are centrally located and protected from the elements.

- 1) To the left of the front entrance to Aspen Hall FL1 main entrance near Admission & Records, between the glass wall and the phone booth.
- 2) next to the glass case on the front of Buckeye Hall FL3.

This is the product I have selected and have gotten approval by the operations team. Operations will install at no cost.
