Terms and Conditions of Sale

The Quote Sheet and these Terms and Conditions of Sale contained herein become the agreement between Certiport, a business of NCS Pearson, Inc. ("Seller") and the organization listed on this Quote Sheet ("Buyer") for the sale of goods and/or services as described in the Quote Sheet (hereinafter the "Agreement"). Seller's agreement to provide the goods and/or services is expressly conditional on Buyer's assent to this Agreement. If Buyer objects to any terms herein, such objection must be in writing and delivered to Seller within seven (7) calendar days of receipt of this document. Failure to make such timely exception or acceptance of any goods or services by Buyer shall be conclusively deemed assent to the terms and conditions herein.

1. Order Acceptance and Complete Agreement. All requests for goods or services received by Seller are subject to revision and rejection by Seller. Buyer's acceptance of goods and/or services evidences Buyer's acceptance of these terms and conditions. This Agreement may not be altered or modified except in writing duly executed by both parties. Except as set forth herein, the parties agree there are no other contracts or agreements between them, oral or written, with respect to the products and/or services procured hereunder (including any made or implied past dealings). No additional or different terms and conditions stated in or attached to Buyer's order or Buyer's communications to Seller, including, but not limited to, Buyer's orders, purchase order or other communication to Seller are applicable to this transaction in any way, and are hereby rejected and shall not be considered as Buyer's exceptions to these terms and conditions. Trade custom, trade usage and past performance are hereby superseded and shall not be used to interpret these terms and conditions. Buyer acknowledges that Buyer may be required to sign a Certiport Authorized Test Center agreement prior to any goods or services delivered under this Agreement being deliverable from Buyer to end users.

2. Implementation of Services. Seller cannot commit to an estimated schedule for the delivery of goods or services to Buyer until Buyer has signed and returned this Agreement to Seller.

Prices stated on the order exclude shipping and handling charges, sales, use, excise, VAT or similar taxes or duties. All payments are due in U.S. Dollars unless otherwise agreed by Seller in writing. In addition, Buyer waives any rights of setoff.

4. Title. Unless stated elsewhere in this Agreement, all shipment of goods shall be delivered F.O.B. Buyer shall be liable for costs of insurance and transportation and for all import duties, taxes and any other expenses incurred or licenses or clearance required at port of entry and destination.

5. Termination or Cancellation of this Agreement. This Agreement, and all rights, and if applicable any licenses granted herein by Seller to Buyer, may be terminated by either party for a material breach of an obligation imposed upon a party by this Agreement, but only after written notice by the non-breaching party has been given to the breaching party. Such notice must provide for an opportunity to cure such material breach of at least thirty (30) days following receipt of the notice by the breaching party. If the breaching party has not cured the breach by the cure date stated in the notice, only then may the non-breaching party giving the notice terminate this Agreement (and all rights and if applicable any licenses granted herein). In the event of termination for breach, the breaching party will be liable to the other party for reasonable wind-up and program management costs.

7. Legal Compliance. Buyer, at all times, shall comply with all applicable federal, state, and local laws and regulations. Export of the goods covered by this Agreement may be subject to export license control by the United States government. It is Buyer's responsibility to obtain any licenses which may be required under the applicable laws of the United States including the Export Administration Act and regulations promulgated thereunder.

8. Intellectual Property. Seller shall retain all rights to pre-existing ideas, processes, procedures, and materials used by Seller in developing or providing products and/or services to Buyer (Seller's Materials). Buyer shall own all title and interest in any materials created under this Agreement unless those materials are based on Seller's Materials. Buyer grants Seller a non-exclusive, royalty-free, worldwide license to use Buyer's Trademarks or provided materials in the provision of goods or services hereunder.

9. Limited Warranty. Seller warrants that it will perform the services in a professional and workmanlike manner. **THE WARRANTIES IN THIS AGREEMENT REPLACE ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ALL OTHER WARRANTIES ARE DISCLAIMED AND EXCLUDED BY SELLER.**

10. Limitation of Liability. In no event will Seller be liable, in breach of warranty, contract, tort, strict liability, or under any other legal theory, for any indirect, special, incidental, consequential, punitive and/or exemplary damages, losses or expenses, or for loss of profit, revenue or data, regardless of whether Buyer was informed about the possibility of such damages, and in no event will Seller's total liability exceed an amount equal to the price of the goods or services giving rise to the liability even if Seller has knowledge of the possibility of the potential loss or damage.

11. Buyer Specifications Indemnity. Where allowed by law, Buyer agrees to indemnify and hold harmless Seller for all claims, whether arising in tort or contract, against Buyer and/or Seller (including reasonable Attorney's fees, expenses and costs), arising out of the application of Seller's goods or services to Buyer's specifications, designs, or statement of work, if applicable.

Each party will be liable to the other only in the event of a willful and material disclosure of such confidential data or information. The terms and conditions of this Agreement shall be deemed confidential in accordance with this Section.

13. Infringement by Seller. Seller agrees to indemnify, defend and hold Buyer and Buyer's directors, officers, employees, successors, and assigns from and against any and all third party claims that any goods and/or services supplied by Seller to Buyer constitute direct infringement of any United States trademark, patents, copyrights and Seller agrees to pay all damages and costs finally awarded thereunder by a court of competent jurisdiction against Buyer, provided that Seller has been promptly informed and furnished a copy of each communication, notice or other action relating to the alleged infringement and Seller is given authority, information and assistance (at Seller's expense) necessary to defend or settle said claim.

14. Infringement by Buyer. Certiport Authorized Testing Center (CATC) Policies, Guidelines and Procedures

Certiport is committed to ensuring that its Certification Exams are respected and valued in the marketplace. Accordingly, Certiport takes appropriate measures to ensure that the integrity of its Exams is not compromised. Certiport also holds CATCs accountable for taking steps to prevent and detect fraud and breaches of Exam security.

1. CATCs are required to strictly enforce the following rules:

- 1.1 The CATC must verify at least one form of Examinee identification bearing a photograph and the Examinee's signature. An example of an acceptable form of identification is a government issued identification or student identification issued by an academic institution.
- 1.2 The CATC must not allow recording devices, including paper, pens, pencils, cameras, computers, handheld computers or communication devices, such as telephones or pagers, in the testing area.
- 1.3 The CATC may permit an Examinee to take a break during testing if requested, but must inform the Examinee that the testing clock cannot be stopped during the break. Examinees must not be permitted to conduct activities during a break that may compromise Exam security, to include using a telephone and communicating with other examinees.
- 1.4 The CATC must ensure that Examinees are seated a distance of no less than four (4) feet or (1.25 meters) apart from one another in the testing area to minimize distractions and prevent cheating.
- 1.5 Use of equipment such as printers, facsimile machines, copiers, or telephones is not permitted in the testing room while testing is in progress.
- 1.6 CATCs must ensure that each Exam is actively proctored and that Proctors have an unobstructed view of each examinee in the testing area.
- 1.7 Proctors may answer questions regarding the functionality of the Exam software, but may not answer questions related to Exam content or provide instruction of any kind.
- 1.8 If a Proctor observes an Examinee cheating, the Proctor must immediately terminate the Exam. The Proctor must inform the Examinee that his/her exam results will be nullified and that he/she will receive no refund or certificate.

2. Retest Policy

CATC System Administrators are required to enforce the Certiport's retest policy:

Certiport provides many exams that require different retest policies. These policies must be adhered to and enforced by the CATC, and can be found at www.certiport.com by selecting "Exam Policies" under the "Test Candidates" menu item and then selecting the link for "Exam Retake Policy".

Examinees participating in Exam beta-testing may take each beta-exam only once unless otherwise authorized by program administrators.

3. Ensuring Exam Validity

Certiport conducts periodic data forensics to identify patterns of aberrance in Exam results that help detect cheating or content piracy. For example, forensic indicators such as types of responses, latency, pass rates and retakes may reveal patterns of cheating, collusion or piracy. However, prevention and early detection are critical elements that require the close cooperation of CATCs. Therefore, in addition to relying on CATCs to provide industry standard monitoring during testing, Certiport requires that CATCs ensure that Certiport System Administrators ("Administrators") and Certiport Exam Proctors ("Proctors") are sufficiently trained to provide good quality oversight of testing. Training must include familiarizing staff with prevalent methods used to cheat, learning what measures to implement to prevent cheating and how to identify cheating when it does occur.

Administrators and Proctors who observe violations of rules must immediately document and report all relevant facts supporting the conclusion that a violation occurred to the appropriate Certiport Authorized Distributor or to Certiport customer services representatives. Reports should include date, time and location of the incident, name of Examinee, and the name and version of the Exam taken.

4. Accommodation of Disabilities

As a worldwide provider of Certification Exams, Certiport is committed to ensuring that those persons with the desire to certify their proficiency in the use of computers should have the opportunity to do so. As a result, Certiport Products and Services are being designed to comply the internationally supported Web Content Accessibility Guidelines (WCAG), version 2.0, Level AA. Accessibility statutes in various countries are aligning their requirements with WCAG, as evidenced by the recent revision of Section 508 of the Rehabilitation Act in the United States. CATCs are required to comply with local laws requiring the reasonable provision of access to Examinees with disabilities.

In keeping with this commitment, Certiport will expand and refine its Products and Services to enable greater numbers of Examinees with documented disabilities to register for, schedule and take Exams.

Certiport and CATCs require advance notification of requests for accommodation(s) as well as a reasonable amount of time to review and implement such requests. CATCs are obligated to provide accommodations that Certiport has approved.

Requests for Accommodations of Disabilities

Further information can be found at www.certiport.com by selecting “Exam Policies” under the “Test Candidates” menu item and then selecting the link for “Accommodation of Disabilities”. Examinees who wish to request accommodations may do so by following the directions under the “Process to Apply” section of the *Accommodation of Disabilities* page.

Test accommodations are individualized and Certiport will consider accommodations on a case-by-case basis. Examinees who have been notified that their request for an accommodation has been approved by Certiport must notify the CATC of the accommodation when scheduling the exam. Examinees should allow for additional time when requesting and scheduling accommodations.
