Ok, thanks for clarifying –

I will change on PO and your budget will be ENC & EXPS for the full invoice amount of \$4,338.37 . (Good thing we were able to save on your Tennant Scrubber – as the funds are always needed somewhere else) !

Yes, please request that entry personnel - double check their finished REQ matched quotes and invoices, or explain if difference is part of requisition instructions. FLC BSO should have also caught and questioned this too.

Let me know if you need anything else -

Take Care,

Subject: Please Advise _ PAPE Invoice_ OLR_1029073

Hi Levi or Missy –

Hope you're both doing well !

This attached PAPE Invoice is for Parts, Labor, Fees, Taxes totaling \$4,338.37

- REQ is setup for total of \$2,603.47 - it does not appear to include Labor.
- Can you clarify further – do you want this whole invoice amount paid, or are you asking for it to be short paid?
- Please provide specific details.

re: Unauthorized Purchase

Description of purchase:

Repairs on EDC Forklift equipment.

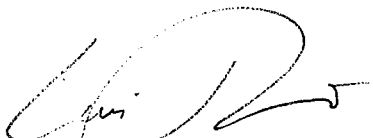

Why purchase was made prior to purchase order being issued:

After many debates with PAPE on a repair quote that we were happy with, we eventually did agree on a price and we believe that PAPE took that agreement to begin on repairs immediately, without a PO.

Who approved the purchase: Levi Thiessen

Actions taken to mitigate future unauthorized purchase:

We will work on providing a more clear lines of communication with any vendor, but specifically this vendor to avoid this issue in the future.
