VIRTUAL EQUITY ACADEMY | FALL 2020

Delivering Student-Ready STEM Education: Critical Competencies for Student Success

October 7 and 8, 2020

Hosted through Zoom.

Visit www.equityinstitute.com to register your team.

The Equity Institute (EI) develops transformative experiences for organizations committed to becoming more culturally literate and equity advancing. The EI hosts Equity Academies, a bi-annual Equity Summit, and the President's Cabinet Round tables.

In the academy, *Delivering Student-Ready STEM Education: Critical Competencies for Student Success*, participants will:

- Expose instructors to innovative and practical pedagogical approaches that can be applied to their Science, Technology, Engineering, and Mathematics classes.
- Develop transformative projects/lessons that engage students.
- Learn culturally responsive pedagogical frameworks applicable to classes, grant writing, and program development.

DR. RONI ELLINGTON
Assistant Professor of Mathematics,
Morgan State University

DR. SEPEHR VAKIL
Assistant Professor of Learning Sciences,
School of Education and Social Policy
Northwestern University

The program features:

- Keynote speakers, Dr. Roni Ellington and Dr. Sepehr Vakil
- Four two-hour topical sessions throughout the academy experience
- Sessions are facilitated and designed for teams to work collaboratively and engage in multimedia activities, exercises and discussions

REGISTRATION

All members of your college are welcome to attend, but for this particular academy, we strongly encourage STEM Instructional Faculty, STEM/SMT Deans, Vice Presidents of Instruction, Academic Support Technology Deans, Academic Senate Leadership, Professional Development Coordinators, and STEM Division Support Staff.

Virtual academies are designed for teams of up to 10 people per organization to participate. If you would like more information or are interested in participating, visit www.equityinstitute.com or contact Monique Hernandez at hernandezmonique@smccd.edu or Katrina Pantig at pantigk@smccd.edu

On Oct 9, 2020, at 9:08 AM, Corpuz, Grace <CorpuzM@crc.losrios.edu> wrote:

Good morning Jae,

I hope you are doing well and staying safe.

Robert ask that I follow up with you.

The budget in PS Financials indicate that there is \$8670.00. (see below)

Budget Balance Summary

Budget Year	Account String	Current Budget	Pre-Encumbrances	Encumbrances	YTD Expenses	Available Balance
2021	GENFD 5200 12 CR.CP.PATH 60900 00000 2021 468F	\$8,670.00	\$0.00	\$0.00	\$0.00	\$8,670.00

Based on the spreadsheet, for 7 faculty to attend at \$750 for each registration, we will only need \$5250. If this is not enough, please provide the amount we would need to have in the 5200 account, so I can ask for additional funding?

Thank you,

Hi Grace,

Alex provided the funding for CRC members to attend the STEM Academy, but it appears that there is not enough funds in the account he provided. Can you contact Jae and find out how much additional funding is needed and then contact Alex if he can make a budget transfer.

Due to the time sensitivity, thanks in advance for making this a priority.

Robert

Robert

Business Office says there are not enough funds in the budget. They are suggesting a 5200 instead. Can you authorize a 5200 account for this?

Monica/Sonia,

Following up on the Skyline College Equity Institute STEM Education conference that has been rescheduled.

I've connected with all LR colleges and they inform me all of the originally scheduled participants (19 total; trying to add one more) are still committed to attend the reschedule event. I will communicate this information to Skyline and continue to facilitate communication. I expect one of you will receive an invoice for \$15,000 (two groups of 10 @ \$7500/group). I'll let you work it out with your VP colleagues how to cover the costs.

The participants can be seen [here](#) and it breaks down to ARC 5, FLC 5, SCC 2, CRC7 participants (working with SCC to hopefully add one more)

If more information is needed please let me know.

Greg

Dear Colleagues,

I hope you and your loved ones are finding moments of joy and peace given everything taking place in our nation and in the world. I want to express my appreciation for how you're supporting students and colleagues in this nuanced and unprecedented environment.

The Equity Institute is excited to announce that we'll be hosting the virtual equity academy, [Delivering Student-Ready STEM Education: Critical Competencies for Student Success](#) on October 7-8th through a Zoom platform. The new cost to register a team is \$7,500 for up to 10 people. You can refer to the program on our website by clicking the link above.

Participants will experience:

- A sequence of four two-hour interactive workshops
- Keynote Speakers, Dr. Sepehr Vakil and Dr. Roni Ellington
- Community Engagement
- Electronic copy of the STEM Guidebook

Please confirm if your institution is still interested in sending a team to the virtual academy by August 24th. If so, our team will follow up with next steps regarding payment and the process the next steps in preparing your team for the academy.

Thank you and feel free to contact me through the info below if you have any questions.

Subject: STEM Academy Postponed

Dear Colleagues,

Due to the growing concern about COVID-19, the San Mateo County Community District (SMCCCD) has requested the suspension of all "nonessential gatherings." **Therefore, the Equity Institute has decided to postpone the equity academy, Delivering Student-Ready STEM Education to a later date in 2020.**

The public response to COVID-19 impacts our college and institutions throughout the state as far as their ability to travel and successfully engage in the program. We plan to continue this work and make the necessary changes to our approach in efforts to host a quality professional development experience for all stakeholders.

Our team will be in communication with you regarding the program updates/changes. For now, please be sure to notify your team members and let them know the academy will not be taking place on 4/14-4/16.

Thank you for your flexibility and feel free to contact me if you have any questions.

Best,

I will communicate this information to Skyline and continue to facilitate communication. I expect one of you will receive an invoice for \$15,000 (two groups of 10 @ \$7500/group). I'll let you work it out with your VP colleagues how to cover the costs.

The participants can be seen [here](#) and it breaks down to ARC 5, FLC 5, SCC 2, CRC7 participants (working with SCC to hopefully add one more)

If more information is needed please let me know.

Greg

Dear Colleagues,

I hope you and your loved ones are finding moments of joy and peace given everything taking place in our nation and in the world. I want to express my appreciation for how you're supporting students and colleagues in this nuanced and unprecedented environment.

The Equity Institute is excited to announce that we'll be hosting the virtual equity academy, *[Delivering Student-Ready STEM Education: Critical Competencies for Student Success](#)* on October 7-8th through a Zoom platform. The new cost to register a team is \$7,500 for up to 10 people. You can refer to the program on our website by clicking the link above.

Participants will experience:

- A sequence of four two-hour interactive workshops
- Keynote Speakers, Dr. Sepehr Vakil and Dr. Roni Ellington
- Community Engagement
- Electronic copy of the STEM Guidebook

Please confirm if your institution is still interested in sending a team to the virtual academy by August 24th. If so, our team will follow up with next steps regarding payment and the process the next steps in preparing your team for the academy.

Thank you and feel free to contact me through the info below if you have any questions.

Best,

Katrina Pantig

Subject: STEM Academy Postponed

Dear Colleagues,

Due to the growing concern about COVID-19, the San Mateo County Community District (SMCCCD) has requested the suspension of all "nonessential gatherings." **Therefore, the Equity Institute has decided to postpone the equity academy, Delivering Student-Ready STEM Education to a later date in 2020.**

The public response to COVID-19 impacts our college and institutions throughout the state as far as their ability to travel and successfully engage in the program. We plan to continue this work and make the necessary changes to our approach in efforts to host a quality professional development experience for all stakeholders.

Our team will be in communication with you regarding the program updates/changes. For now, please be sure to notify your team members and let them know the academy will not be taking place on 4/14-4/16.

Thank you for your flexibility and feel free to contact me if you have any questions.

Best,
