### In a kid's product?? Prop65 - contains chemicals known to cause birth defects and cancer

Reviewed in the United States on February 12, 2021

Hand Orientation: Right Hand Throw Style: 10.5 inch Color: Black/Gray **Verified Purchase**

I have to say I was pretty dismayed to see multiple tags attached to a kid's baseball glove stating this product contains chemicals known to cause birth defects and cancer! Skin absorbs and kids could be playing ball for hours with this on their hand. Very disappointed in such a reputable company's lack of care about those they service.

### Used for Little League Tee Ball

Reviewed in the United States on June 1, 2020

Hand Orientation: Right Hand Throw Style: 10.5 inch Color: Black/Gray **Verified Purchase**

We purchased this glove for our five-year-old son who is participating in his second season of tee ball this year. We purchased a cheaper, non-leather glove last year and it did its job, but we opted for something different this year that will last him at least two seasons. We are very pleased with the quality of this glove—it's softness, size and initial flexibility. It has been very easy for our son to learn how to use when fielding and catching a baseball, which I thought might be more difficult for him with a larger leather glove like this one. The Rawlings Sure Catch Glove is a great investment for children who you know will be enjoying and playing tee ball/youth baseball for a couple of years—definitely recommend buying.

### Stitching and manufacturing is inferior.

Reviewed in the United States on September 4, 2020

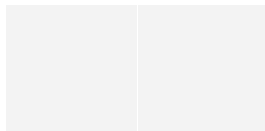

Hand Orientation: Right Hand Throw Style: 11 inch Color: Kris Bryant Model **Verified Purchase**

I returned the first glove I got b/c there was a mistake in production - one of the binding holes for the leather shell of the pocket was missed - it was just hanging flapped over the inside of the glove.

Seemed like a decent glove though, so I got a replacement. Within a few days of using the second glove, the light tan stitching was popping and coming out at various places around the glove. (Pictures included.)

Not sure if Rawlings changed manufacturers recently, because many others over time seemed to be satisfied with the glove.

But no way is this glove going to hold together. I gave it two tries. Buyer beware.

**Great Rawlings kids glove with a broken-in feel.**

Reviewed in the United States on December 1, 2019

Hand Orientation: Right Hand Throw Style: 11 inch Color: Black/Gray **Verified Purchase**

Better price than the store. Very happy with the purchase. Seems slightly broken-in already due to the soft leather. Fits our 5 year old son pretty well with a few years of room to grow.

**Great for 7 year old**

Reviewed in the United States on April 16, 2020

**Verified Purchase**

This was purchased for an average sized 7 year old boy at it fits him perfectly with a little room to grow. It came somewhat presoftened enough to use but could still use some working in. Nothing some practice time would help with.

**Great Glove for the Money**

Reviewed in the United States on June 4, 2021

Hand Orientation: Right Hand Throw Style: 11 inch Color: Black/Gray **Verified Purchase**

This glove was ideal for my grandson. It was reasonably broken in and the velcro strap really ensured a great fit. I would recommend still planning for a break in period but certainly lds than usual. The leather quality was good and the look of the glove is great as well. My grandson is very proud of it and I would recommend.

**Great glove**

Reviewed in the United States on January 25, 2020

Hand Orientation: Right Hand Throw Style: 10.5 inch Color: Black/Gray **Verified Purchase**

I'm impressed. I ordered two of these gloves for my 5 (almost 6) year old boys and they are perfect. The glove is soft, and it's almost fully broken in. Shouldn't take me much time at all. For under \$30each, this is a great deal. Don't hesitate to make the purchase

Just received a glove. Warehouse deal is excellent for kids sports equipment at great price. Glove itself is in 100% new condition. My son just starting his baseball life and I would not get him anything other than all leather glove. Very easy to get used to glove for kids. Good size for 7 year old.
