Hello Mari,

Here is the revised quote for the removal of carpet in A-105. Please note that this includes removing the old VTC over by the cabinets and fridge and then for install of new VTC for the entire area except the closet. A 6200 string was used for our last two carpet replacement jobs (CTC & WSSC). I am going to give Augustine a heads up that you are putting this req in. Let me know if you have any questions.
