Re: Creative Conners Sole Source Purchase Justification

Comments:

The Department of Theatre and Cinema Arts at Folsom Lake College needs to purchase a piece of theatrical automation equipment (and accessories) that are used to move large scenic elements across the stage. The department already owns a theatrical automation system manufactured by Creative Conners. In order for the automation winch to safely work with the existing automation system, it must be one manufactured by Creative Conners. The equipment is not interchangeable with parts from another manufacturer.

Also, Creative Conners is the only manufacturer, distributor and rental agent of their automation system. They do not sell to any reseller. They only sell directly to customers. A letter from Creative Conners attesting to this is included.

November 28, 2022

Mr. Ian Wallace Folsom Lake College 10 College Pkwy Folsom, CA 95630

Dear Mr. Wallace,

This letter is to confirm that Creative Conners, Inc. is the sole manufacturer and vendor of the Pushstick deck winch, Stagehand Apprentice motion controller, Spikemark automation software and Showstopper emergency stop products.

We do not utilize a dealer network or maintain any distribution channels beyond selling directly to our customers.

Please feel free to contact me with any questions.

Sincerely yours,

Gareth Conner, President, and Founder
